Budapest, 22 July 2013

Your Royal Highnesses,

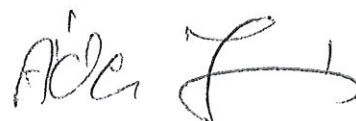

I am very delighted to extend to you my heartfelt congratulations on the joyous occasion of the birth of your first child.

Alongside my best wishes for good health and happiness please allow me to also send you a symbolic present from Hungary made by the Herend Porcelain Manufactory.

This unique workshop, famous for its designs and for the quality of its hand-made objects, has decided to create a special set for royal children, the first edition of which has been dedicated to your child. This set of Herend Porcelain contains a small bell, a box, a mug, as well as small soup and dinner plates. The set is painted with the modern version of the traditional "Victoria design" named after Queen Victoria.

I would like to take this opportunity to wish you many joyful moments with your family and to convey my hope that I will be able to welcome you in Hungary soon.

Yours sincerely,

János Áder
